

hello goldie™

*feel good essentials*

## *the feels*

To get to our FEELS, we start by using the finest ingredients, hand picked for their quality, flavor and efficacy. We then curate a precise blend of adaptogens, including Organic Hemp extract, which are each designed for a special moment and time of day where paradise awaits.

We want to share those magical experiences with you in every cup, sip & bite. These are the tiny moments that pick you up and make you smile.

# Botanical Tea

## CBD BOTANICAL TEA

HELLO GOLDIE botanical tea blends will soothe your soul and are infused with CBD hemp extract, which can help balance emotions, relieve stress and anxiety, and promote an overall calmness to your day.

20mg CBD
