

A detailed line art illustration of various flowers. The composition includes daisies with distinct centers, hibiscus flowers with large, overlapping petals, and peonies with ruffled, multi-layered petals. Some flowers are shown as buds. The style is clean and minimalist, using only black outlines on a white background.

WELCOME TO OUR  
GALLERY OF EARTHY DELIGHTS

A decorative border of various line-art flowers and leaves surrounds the text. The top border features a row of large, multi-petaled flowers. The left border has a vertical arrangement of different flower types, including a large daisy-like flower at the bottom. The bottom border is a dense row of smaller flowers and buds. The right border shows a vertical arrangement of flowers, including a large, detailed flower with a dotted center.

Plantula Garden celebrates the goodness of Mother Earth's bounty,  
our love of fine T-shirt dressing and the appreciation for hand crafted goods.

This is a story of two girlfriends who came together over their love of creating  
beautiful things and supporting women.

Every T-shirt's embroidery is hand sewn at Cats With A Heart Mexico Foundation  
atelier. They offer formerly incarcerated women, an Employment and Development  
Program that guarantees fair and safe working conditions.

The T-shirts and sweatshirts used are sourced from BSCS.MX, a Mexico City based  
brand that insures fair living wages for the small family-owned factories in Oaxaca  
who produce their collection of "basicos".
